

MASTER OF COMPUTER APPLICATIONS

Presents

NATIONAL CONFERENCE

COMPUTATIONAL INTELLIGENCE AND APPLICATIONS (NC2IA)-2025

»»» About the Conference

The National Conference on Computational Intelligence and Applications (NC2IA) serves as a premier interdisciplinary forum that convenes leading researchers, industry practitioners, and distinguished academicians to explore cutting-edge developments, address emerging challenges, and chart future trajectories in computational intelligence. As a nexus of innovation, the conference facilitates substantive dialogue and synergistic partnerships across diverse AI and machine learning disciplines.

»»» Key Themes

- Machine Learning and Deep Learning
- Data Mining and Big Data Analytics
- Natural Language Processing (NLP)
- Robotics and Autonomous Systems
- Bioinformatics and Computational Biology

»»» Registration

Last date for Registration: 14.07.2024

Registration Amount :

Participants : Rs. 250

Authors : Rs 500

Selected and peer-reviewed papers will be published in ISBN/ISSN journals with DOI numbers. The publication charges will be as per the respective journals.

»»» Call for Papers

Undergraduate and postgraduate students of Engineering and MCA, along with research scholars, are invited to submit original research papers on the specified themes. This is an excellent opportunity to showcase innovative ideas and contribute to academic discourse. All submitted papers will undergo a review process, and selected papers will be published in the official conference proceedings.

MCA SEMINAR HALL

AUGUST - 22, 2025
9:15AM

AMC Campus, Bannerghatta Rd,
Bengaluru, Karnataka 560083

nc.mca@amceducation.in
www.amcgroup.edu.in

+91 9894472531
+91 9894552121

»»» Topics Covered

Topics of interest for submission include, but are not limited to:

1. Artificial Intelligence and ML.
2. Fuzzy Systems and Neural Networks.
3. Data Science, Big Data, Cloud Computing.
4. Bioinformatics, Biomedical engineering.
5. Computer Graphics & Virtual Reality
6. Optimization and Computation, Intelligence.
7. Database & Information Systems.
8. Forensic data analysis.
9. Big Data Analysis
10. Machine Learning.
11. Deep Learning.
12. Natural Language Processing.
13. Robotics and Data Analytics.

»»» Submission Deadline

Submission Deadline:

14.08.2025

Notification of Acceptance:

15.08.2025

»»» Advisory Board

Dr. G. Shiva Kumar, Vice Principal, AMCEC.
Dr. R. Nagaraja, Academic Advisor, AMCEC.
Dr. Karunakar Principal, City Engineering College, Bengaluru.
Dr. Somya Naik HOD-CSE, City Engg, Bengaluru.
Dr. V. Mareeswari HOD-CSE, AMCEC.
Dr. Amutha R HOD-ISE, AMCEC.
Dr. Dadapeer B HOD-ME, AMCEC.
Dr. Manoj Kumar HOD-EEE, AMCEC.
Dr. Nasrullah HOD-Mechatronics, AMCEC.
Dr. Prashantha Kumar O HOD-MBA, AMCEC.
Dr. Jenitta, HOD-ECE, AMCEC.
Dr. R.K Bharathi SJCE, Mysore
Dr. Madhu BIT, Bengaluru
Prof. Manjunath MIT, Mysore

Dr. Gangadhara Reddy HOD-Mathematics, AMCEC.
Dr. Mini V HOD-Physics, AMCEC.
Dr. V. Venkatalakshmi HOD-Chemistry, AMCEC.
Dr. Nagaveni V HOD-CSE-DS, AMCEC.
Dr. Nandeeswar S B HOD-CSE-AIML, AMCEC.
Dr. Andhe Dharani Professor & Director-MCA, RVCE, Bengaluru.
Dr. Sivamoorthy Professor, VTU Regional Center, Bengaluru.
Dr. Ashok D V Prof. & Dean(Res.), JSSATE, Bengaluru.
Dr. Manjula DSATM, Bengaluru
Dr. Dharani Director, MCA, RVCE, Bengaluru.
Dr. Kaviya MCA-HOD, RNSIT, Bengaluru.
Dr. Mrunali M HOD RVITM, Bengaluru
Dr. Sreekanth R Prof. & HoD, Nitte Meenakshi Technology, Bengaluru.
Dr. Varadaraj Navkis College of Engineering, Hassan
Prof. Divakar Karadi HOD-MCA, Cambridge College of Engg, Bengaluru
Dr. Kavya N P RNSIT Bengaluru

Prof. Praveen K S HOD-East West IT, Bengaluru.
Prof. Hamsaveni Mysore University, Mysore
Dr. Madhwraj K G Prof & HOD, Mangalore Institute of Tech & Engg, Dakshina Kannada.
Dr. V. Asha Prof. & HoD, NHCE, Bengaluru.
Dr. C.H. Vanipriya Professor and HOD, Sir MVIT, Bengaluru.
Dr. Manjula Sanjay Koti Prof. & Head, DSATM.
Dr. Veena HOD MCA PESCE, Mangalore
Dr. Premasudha Siddaganga Institute of Technology, Tumakuru
Dr. M.N Nachappa Jain University
Dr. Pavithra MS HOD-MCA ATMECE Mysore
Dr. T Mamatha, HoD - MCA, AIT, Bengaluru.
Dr. Gomathi M HOD-CMRIT, Bengaluru
Dr. Chandrakanth Poojari AIT, Bengaluru
Dr. Harish, Professor, UBDT, Davangere.
Dr. Basanth Kumar MIT, Mysore

»»» AMC Engineering College

The AMC Engineering College is one of the most prestigious institutions in Bengaluru that provides quality teaching and training in professional courses in various streams of engineering and postgraduate programs in Technology (M Tech), Computer Application (MCA), business administration (MBA), and Research (Ph.D.). AMC Engineering College is more than what you can learn from a book; it is about creating a safe, holistic environment for students to learn, explore, and grow unhindered.

The college was established under the Paramahansa Foundation Trust in 1999. Since then, students from various backgrounds and nationalities have been given a safe, nurturing environment where they can gain the skills and knowledge they require to be progressive leaders in today's fast-paced society. AMCEC believes in imparting value-based technical education and research for the benefit of society.

The team of committed, qualified, and passionate engineering professors has, since its inception, helped students do their best. Institution approved by the AICTE and affiliated with VTU. The quality of AMCEC is certified and accredited by the NBA and the NAAC. Furthermore, it is ranked by the NIRF.

»»» Dept.of MCA

The MCA, which was started in the academic year 2000, has excellent infrastructure in terms of smart classrooms, a dedicated library, a seminar hall, and a networked computer laboratory. The expert MCA faculty takes the time to help students develop technical and professional skills to meet the needs of the IT industry and its inter-disciplinary areas. The Mentoring System set up by this department will monitor your progress continuously. There are also plenty of Industrial visits, internship programs, and certificate programs organized so that you leave well-equipped to conquer the industry. Every single stakeholder appears to be proud and content here. The class room lectures are enriched talks on subjects of topical interest by experts in the IT industry, R&D establishments, and academic institutions of repute. The corporate standard of the computer laboratory has to be seen to be believed. The students in this department are encouraged to actively participate in co-curricular and extra-curricular activities. We have been getting 100% pass results, with most of our students getting distinctions and bagging University ranks.

»»» Conference Objectives

We believe that this event will provide an opportunity to learn from one another, exchange ideas, and explore innovative ways to shape the future of AI. In addition to oral presentations and an innovation exhibition, this event will provide an opportunity for researchers and students to showcase their innovative products.

The primary objectives of a national conference on Computational Intelligence and Applications revolve around knowledge exchange, research advancement, networking, bridging theory and practice, industry relevance, education, and publication opportunities. These objectives collectively aim to foster innovation, collaboration, and progress in the field of computational intelligence.

»»» Chief Patrons

Dr.K.R.Paramahamsa
Founder Chairman, AMC Group of Institutions.

Mrs.K.Geetha Paramahamsa
Vice-Chairperson, AMC Group of Institutions.

Mr.Rahul Kalluri
Executive Vice President, AMC Group of Institutions.

Ms.Monica Kalluri
Vice President, AMC Group of Institutions.

»»» Patrons

Dr. Mohan Babu G N, Director, AMCEC.
Dr. Yuvaraju B N, Principal, AMCEC.

»»» Convener

Dr. M.S. Shashidhara
HOD - MCA - AMCEC.
